## Supporters Cards: DIY guide

The following is a set of instructions to make Union Solidarity Supporters cards. When finished each card is double sided and plastic coated [laminated].

### Resources:

You will need

- 120 gsm white paper (10 sheets per 100 cards)
- Guillotine
- Laminator
- 75 micron laminator pouches
- Card corner cutter (optional)

### Instructions:

#### Printing

Colour- Print double sided the desired number of copies on high quality printer using 120gsm paper (10 cards per page, 100 cards requires 10 pages)

Black and white - Print or photocopy black and white pages using 120gsm paper.

Be careful to make sure front and back are lined up. The website address on front and back should be aligned.

#### Laminating:

Carefully place A4 doubled sided printed artwork into A4 laminating pouch, place pouch into laminator.

#### Cutting:

Place laminated pouch front page up (page with lines). Use a quality guillotine and cut out cards by cutting along light grey lines.

#### Corners:

Use a card corner cutter to cut out corners.
