

**FITZROY, COLLINGWOOD AND ABBOTSFORD COMMUNITIES  
RALLY TO  
SAVE OUR POSTIES**

- ✓ **Australia Post has decided to close the Fitzroy Delivery Centre.**  
*THAT'S OK!* It's too small and too noisy for a residential area.
- ✓ **Clifton Hill & North Fitzroy posties covering the 3068 post-code will deliver from the Preston Delivery Centre.**  
*THAT'S OK TOO!* The 10 posties, 2 night-sorters and 2 parcel contractors involved are willing to relocate.
- ✗ **WHAT'S NOT OK** is that instead of relocating the 17 posties and other staff who look after the communities that live in the 3065, 3066 and 3067 post-code areas, **AUSTRALIA POST MANAGERS HAVE TOLD THEM:**
- **THEY ARE NO LONGER REQUIRED**
  - **THAT THEIR JOBS ARE TO BE SPLIT**
  - **AND THAT THEY ARE TO BE REPLACED BY CHEAP LABOUR.**

**WAGES TO BE CUT 15%**

Management are trying to employ new starters on four-hour per day jobs that will be paid 15% less pay and not even have a tea-break.

**YOUR MAIL WILL BE DELAYED AND WHAT ABOUT THE QUALITY OF THE SERVICE?**

By getting rid of the traditional posties who have all worked for Australia Post for years (between 3 and 27 years) and because of the splitting of the sorting and delivery functions, we believe the quality of the mail service will be badly affected. The mail will also be delayed and delivered later in the day much of the time.
