

FairWear

invites you to

FairWear Sweat Free Christmas Carols!

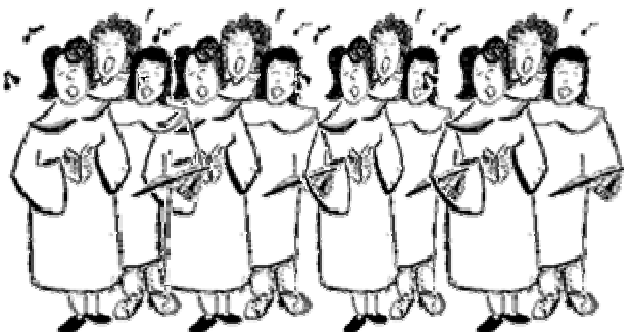

FairWear has been making its list, and checking it twice, trying to find out who's been naughty and nice to outworkers and clothing workers this year!

Join Santa and his FairWear helpers for Sweat Free Christmas Carols, as we try to convince the naughtiest company on our list, Big by Fiona Scanlan, to give the gift of award wages and conditions to outworkers this Christmas..

Come and have a listen or sing along (yes, YOU CAN SING!!!).
Santa hats and song books provided!
